

Dr. Miquel Taron

Education and training

- 1994- 1999: Ph.D. Internal Medicine and Surgery, Autonomous University of Barcelona. Spain
- 1987 – 1992: B.Sc. Biological Sciences, University of Barcelona. Spain.

Positions and Employment

- December 2018-present: Head of Molecular Oncology at Synlab (Alcobendas, Madrid, Spain)
- May 2017-November 2018: Senior Investigator. Institute of Biomedicine of Seville (IBIS) – CSIC. Virgen del Rocio University Hospital
- October 2014-Nov 2016: Director Development and Regulatory, Amadix SL. Spain
- January 2013-October 2014: EVP Diagnostics, Pangaea Biotech SL. Barcelona. Spain
- January 2008- 2012: Director, Oncology Laboratory, Pangaea Biotech SL. Barcelona. Spain.
- July 2004- May 2013: Coordinator, Cancer Molecular Biology Laboratory, Medical Oncology Service, Catalan Institute of Oncology, Germans Trias i Pujol Hospital. Barcelona. Spain.
- January 2000 - June 2004: Contracted Post doc Laboratory Investigator, Cancer Molecular Biology Laboratory, Medical Oncology Service, Catalan Institute of Oncology, Germans Trias i Pujol Hospital. Barcelona. Spain

- October 1993 – December 1999: Pre-doctoral student, Center for Health Research; affiliated to Medical Oncology Service- Germans Trias i Pujol Hospital. Barcelona. Spain
- October 1992 - September 1993: Associate Professor, Genetics Department, University of Barcelona. Spain

Of note

- 25 years' experience in diagnosis and R+D in oncology and molecular cancer biology
- Participation in several Advisory Boards, both for global pharma as well as diagnostics companies
- Highly experienced in ISO standard, quality assurance programs, management of biobanks and patents
- Coordination and handling of biological samples and molecular analyses in clinical trials with collaborative groups (TTD, SLCG, ETOP) from over 140 national and international hospitals
- Co-author of more than 150 scientific publications in high-ranking international journals; over 400 presentations at national and international congresses
- Co-Founder, Management Board Member, Pangaea Biotech SL (2006)
- Member of Spanish Lung Cancer Group (SLCG) and Spanish Group of Orphan and Rare Tumors (GETHI)
- Founding member of the International Society of Liquid Biopsy (2017)
- President of the Spanish Society of Pharmacogenetics and Pharmacogenomics (SEFF) (2014-2018)
- Board Member of the Spanish Research Group on Sarcomas (GEIS) (2018-)
