

DR. SERGIO SÁNCHEZ SOSA

NATIONAL ACADEMY OF MEDICINE OF MEXICO //
LABOPAT // INTERNATIONAL ACADEMY OF
PATHOLOGY

Summary

With over 30 years of leadership experience in pathology, my mission at Labopat Diagnostics is to drive the forefront of molecular diagnostics. Our team has been a pioneer in adopting cutting-edge techniques such as liquid biopsy and next-generation sequencing (NGS), enabling us to provide innovative solutions for the study and treatment of lung cancer.

At the same time, as a Professor of Molecular Pathology, I am dedicated to training future specialists in state-of-the-art research methods. These two complementary roles reflect my commitment to advancing medicine and patient well-being, as well as my passion for sharing knowledge and educating the next generation of pathologists.

Experience

- Labopat Diagnostics — CEO
- Ibero-American Molecular Pathology Association — President August 2023 – Present (2 years 2 months) · Mexico
- Labopat Diagnostics — Professor, Molecular Pathology Course March 2017 – Present (8 years 7 months) · Puebla, Mexico
